EDUCATION

Bachelor of Engineering

New Horizon College Of Engineering
Bangalore

2023-24 - Present,

Courses

- Electronics and communication Engineering

Diploma in Engineering (Polytechnic)

Shri Dharmastala Manjunatheshwara
Polytechnic College, Ujire

2018 - 21,

Courses

- Electronics and communication Engineering

High School

Prabodhini vidya kendra, Kalasa

2016 - 2018

PROJECTS

Implementation of autonomous robotic system for alive human detection in earthquake

📌 This was a mini project done for academic purpose.

Automatic plant watering system

📌 This was a mini project done for academic purpose.

Smart attendance system using RFID and google sheet

📌 This was a mini project done for academic purpose.

Visitor counter

📌 This was a mini project done for academic purpose.

PROFESSIONAL SKILLS

Microcontroller, ARM controller, Arduino, Verilog
HDL, C programming, Python, MATLAB, VLSI, 5G-communication.

SOFTWARE TOOLS

Keil μ vision, Multisim,
KiCad (PCB Design), Arduino IDE,
Pycharm, Xilinx ISE.

WORKSHOPS

Arduino
📌 It was held at college.

CERTIFICATES

Create a Lead Generation Messenger Chatbot
using Chatfuel (16/04/2023)
